This Year's Theme: Jewish Women Of Distinction—Biblical and Contemporary

Our theme for 5771 (2010-2011) is "Jewish Women of Distinction." Each meeting will feature a lively discussion on a biblical heroine, followed by a presentation about a contemporary woman by one of our Women's Circle members. We'll explain what each woman accomplished, why it was important, and the legacy they left behind. Each presentation will be followed by an educational or cultural activity. Refreshments will be served.
